“ *She was a brilliant medical professional who ran a floor with dignity and compassion along with raising a family and loving a good joke, keeping up with the latest news and cooking I remember her cobbler as a kid we picked berries from yard and she baked it my first memory of cobbler and ice cream ... she recalled lots of family history accounts and had a smile coupled with a laugh that made me giggle 🤔 Serenity Prayer to family and friends..Love Texas - Lorraine 'Nece' Lawrence Walls (Daughter of Dorothy- child of Sister Mattie Bell)*
