“ I would like to express my deepest sympathy to the Caldwell family. I so enjoyed working with Andreas when he was with us at DCS.He was such a kind spirited person. He was always willing to help when anyone needed help. Although I had not seen his for a while, I often remember his kind smile and the laughter we shared in the office.

“ We were so heartbroken to hear of the passing of our cousin Andreas Caldwell. He had a gentle kind spirit. Andreas was exceptionally smart in school. All that knew would attest that he was graced with a pleasing humble personality. He was so loved by many. His family was so very proud of his many successes in his life. He was a phenomenal supervisor. He will certainly be missed. However, his footprints will be left behind for others to follow. May Andreas Caldwell Rest In Peace. We are praying for the family and sending our love.
