“ To: The Jones Family. May God bless all of you in your time of sorrow. You're in my prayers and thoughts. In times like these there are no words of comfort. But there is peace in the name of Jesus. When things get hard and unboreable call on Jesus silently. He will give you the peace and the relief you need at that time. We have had so many good times to hold on to and never forget. These memories we can hold on to for as long as the father allows. God bless each of you and remember you are loved.
