“ I Am Free

Author Unknown

*Don't grieve for me, for now I'm free,
I'm following the paths God made for me
I took his hand, I heard him call
Then turned, and bid farewell to all*

*I could not stay another day
To laugh, to love, to sing, to play
Tasks left undone must stay that way
I found my peace ... at the close of play*

*And if my parting left a void
Then fill it with remembered joy
A friendship shared, a laugh, a kiss
Ah yes, these things I too will miss.*

*Be not burdened... deep with sorrow
I wish you the sunshine of tomorrow
My life's been full I've savoured much
Good friends, good times
A loved one's touch*

*Perhaps my time seemed all too brief,
Don't lengthen it now with undue grief.
Lift your hearts and peace to thee
God wanted me now
He set me free.*

“ Barbara was a Sista for life. Always had a big smile. I could call out her nick name that my brother gave her as we were coming up. As we know when you saw one Toney there were always one are two around. She would start asking them where is Niota. I know she is here because know one else but her going to call me Black Annie but her. They all knew her nick name from me. Most likely they had already seen me and we hugged would tell her which direction I was. They would laugh and call her the same letting her know that I was call her. She would just laugh until we got close to get our big hug no matter where we were. Loved that lady she truly will be remember. Condolences to the Family.
