“ I would like to offer my condolences to the McCann family. Mrs. Bettie was a very sweet and loving person, she always offered a word of encouragement to everyone she met. She was a true believer in God and wanted everyone to know that he was her savior and he loved us all. I worked with her for over 18 years at Erlanger and you could not take away her Godly spirit. " She would always say I'm not going to let anyone steal my joy." I want the family to know that she maybe absent in body, but her spirit will be with them forever. May you find peace in knowing that you will be together again someday.

“ Aunt Bettie was a precious lamb of God and I will miss her tremendously. I first met her this past summer during the 4th of July holiday. Aunt Bettie tried to fill me in with all the family history that she could as well as, shared family pictures. She had a warm smile that could only be matched her warm heart. She loved her family and always let me know that she loved me, she was praying for me and my family. She was a genuine soul and had love that would outshine the sun.

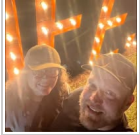

I can hear our Heavenly Father say to Aunt Bettie, Well done, they good and faithful servant. I look forward to seeing her in the resurrection when Christ returns and take His Children Home. Until then, Aunt Bettie, rest in peace.

“ It is almost impossible to describe Ms. Bettie. Our paths crossed over a Door Dash delivery. I'll never forget her beautiful smiling face coming around her car as she had just arrived from the beauty shop. This smile could light up the darkest rooms on the darkest of days. That smile had lived through some of the toughest times in this country, faced discrimination, faced the loss of a husband and son, and faced breast cancer. Through all of those trials, that smile never faded. This lady defeated the standard definition of friendship and love. Our generational gap and race were disregarded in her love. She became one of my best friends. We became family. Ms. Bettie has went to her heavenly home, and I know she will be welcomed at the pearly gates. In her beautiful voice, “T, remember, today is the day the Lord has made. Let US REJOICE and be glad in it.” Those words are a little harder to practice today. I surround this entire family in prayer and comfort because this woman was one of the best to ever be in this world.

“ Sister Bettie always had something to praise the Lord for. She was always ready to send one or more of her famous cakes to any event we were having. We will miss her joyous words and sweet smile.
