“ I'll never forget the first time I met Ms Betty. I was looking at her and she said “ girl, what you looking at?”. I answered her and said “ I'm looking at you. You have the prettiest skin and you remind me of Queen Latifa”. Ms Betty then just laughed and said “ thank you girl, you alright” lol. From then on we had a great friendship and wonderful conversations. She was a very dear person with a kind spirit. She could make you laugh no matter how your day was going. She will be missed so much. Fly high Ms Betty□
