“ Beverly always kept me laughing! Her spirit was her light. You will be missed. Prayers of comfort and joy for all who had the pleasure to know her.

Cynthia Thomas - October 27, 2023 at 09:51 PM

“ I can only say that your Joyful Spirit will be missed, but never forgotten. Your smile will be often thought of, with cheerful tears of Laughter. Your thoughtfulness of wanting to feed everyone you meet. Will often be given praised on how good the food was to eat. But most of all your loving spirit that never meets a stranger. Will forever be Cherished and loved. For we will never meet anyone quite like you Beverly. Because you are one of a kind made and created by the one from above. He designed you just for us and we all will forever be grateful to our Creator and our Lord up above. By The Queen 👑

“ When God created Heaven and Earth he also created beautifulness, and Beverly Davis was one of God's beautiful creations. Whenever our paths crossed she always wore a smile on her face and always had kind words to say to and about me.

Even though Beverly and I were not related but, she was my sister because God created us both.

There are so many things I will miss about her such as; her laughter, smiles and most of all I am going to miss her calling on me to help her figure out a feature on her cell phone.

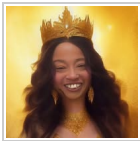

Fly High, my sister! I love you ❤️❤️

We are very sadden to know we have lost one of the most Joyful Spirits we know. Our Best Friend Beverly Clark-Davis. Sissy I will forever remember and love our time here together. However, I know this not our home. Our home is with the Lord and to be absent from the body is to be with the Lord. So as I pray that on that great day when the Lord appear in the skies. You will be standing at the pearly gates waiting for your best friends. Ready to spend eternity together with our Lord and Savior and the Great I Am .
