“ *My condolences to the family and may fill the void of my homeboy. We grew up in Alton Park across the walk from each other. What can I say about ol Bobby T. He was a few years older and made playing the trumpet cool. I couldn't wait to take that first chair under Mr. Lott. All band members know what it is to be part of the band. Rest in Heavenly Arms my friend.*

“ I met Bobby in November of 2020 through a mutual friend of ours and he became a brother to me. He was always an ear to listen and was always there when you needed him and when u didn't he he was still there. When my oldest son was locked up and I didn't have the money to help him Bobby gave it to me with no questions asked and did not want me to repay him and to me that solidified who he really was as a person and I will always cherish that. Rest in Peace my friend til we see you again 🙏❤️
