

Mrs. Callie Mae Lindsey Sampson

November 23, 1925 - November 30, 2020

Mrs. Callie Mae Lindsey Sampson, 94 years young, made her earthly arrival on November 23, 1926; and she entered eternal life on Monday, November 30, 2020, at NHC of Chattanooga Facility, after a brief battle with COVID-19. For many years, she was a stay-at-home mom who often volunteered at her children's schools helping with various tasks and events. She worked for John and Joni Adams family for many years. The entire Adams family loved Callie unconditionally and she loved and thought of them as her second family. She was a devoted member of Union Hill Missionary Baptist Church, where she served on the Nurses Guild Ministry under the leadership of late Pastor Dr. William H. Ryan, Jr., before her health started to decline. She was also the 2019 NHC of Chattanooga Prom Queen. She was preceded in death by her husband, Joe Porter Sampson, Sr; daughter, Marjorie Sampson; daughter-in-law, Delbra Sampson; grandson, Marcus Payne, Sr.; parents, Hershell and Lacy Owens Lindsey, Sr.; brothers Hershell Lindsey, Jr., and Johnnie Lindsey; sisters, Annie Lee Blackstone, Mattie Will Martin, Jannie Mae Reed, Venner Lou Allen, and Willie Bea Lindsey. She leaves to cherish her memories: daughters, Lillie (Garry, Sr.) Roshell, Rosa L. Watkins, Brenda (Charles) Coger, Georgia (George) Wheeler, Marian Petite, all of Chattanooga, Barbara (Thomas) Sorrells, Sr. of Lewes, Delaware, Mildred (Willie) Johnson of Landover, Maryland; sons: Johnny Sampson, William L. Sampson, Sr., both of Chattanooga, Joe P. Sampson, Jr. of Lewes, Delaware, and Pastor Roy T. Sampson of Killeen, TX., devoted brother George Lindsey of Chattanooga, 41

grandchildren; 82 great-grandchildren; 12 great-great-grandchildren; devoted grandsons, Garry L. Roshell, Jr. and Spencer Ray Montgomery, Jr. and devoted granddaughter, Shamila Montgomery-Ballard. Devoted & longtime friends, Wilma Elsberry, Laverne Harper, Gary Bostock; Patti Traffanstedt and Hughie Raper. A host of nieces, nephews, other relatives and friends. Special thanks to Jordan Ellis, NP, Nikki Bonds, Michell and other staff at NHC of Chattanooga. We respectfully request that all current CDC mandates be adhered to including face coverings and social distancing during the public viewing. While we know family friends and co-workers of the family would like to be with the family during this time, for the safety of us all, a private graveside service will be held for the family, with Rev. William H. Ryan III officiating.

“ *To the Sampson Family,
The Newby and Bramlett families extend our sympathy to you in the loss of your beautiful mother, grandmother and relative. We met Mrs. Sampson at Union Hill Baptist Church many years ago. She was such a sweet lady but could keep you in line. Through her, we met many of her children and grandchildren. She was a great person and will be missed. During this time, keep your focus on God. He will comfort and keep you.

“ *I remember my granny calling me all the time when she was living in her home to say come on over Meya I made biscuits. And boy did I go running over to have breakfast with my granny. She never stopped being an amazing grandmother! Even into my adulthood. As a kid, I was always at my granny's house. We would eat breakfast and watch the Jefferson's before I went to school. After school, we'd eat dinner, watch the stories, the news, Andy Griffith, wheel of fortune, jeopardy, and wrestling. In that order! Great memories❤️*

“ Callie was our Nannie for years, caring for our children Tommy Ogle, Bryanna Burns, Paula Adams , Lyndsi Burns & Thomas Lovelady. She also cared for our whole family as she became a huge role model for all of us, giving love like we had never known before. There is no limit to her value in our lives. She will be dearly missed by her second family.

“Where do I start. These past 4 years have been nothing but pure enjoyment and happiness. I have so many memories with you it's crazy. Not a day went by that I did not think of you. I would go on vacation and still send my co workers down to your room just to make sure you were ok. I would bring you souvenirs back as well. I look back on all the times we are kfc together. You never wanted a drink you would say get me some water. I would come into your room sometimes and you would say “now what is it you want” I would say “I'll just leave them” then you would say “Nall come on in”. You always could remember and feel when I hadn't been at work in a while because you would say “where you been at”. That always just melted my heart. No matter what the first thing you always ask me when you saw me was “how my boys doing”. My co workers knew the love I had for you. They would always make sure they let me know what condition you were in. I hope heaven has someone who can braid your hair because I am definitely going to miss braiding it. Even when I went on leave I would call up there and tell someone to braid it for me and they would. So many pictures and memories that I have to hold onto. It's crazy because everyone knew you were my favorite out of anyone. I can remember the last words you said to me last week. I said “I love you” you said “I love you too” I am going to miss you so much Ms Callie Mae. Heaven has gained a great Angel. I LOVE YOU ❤️~ NIKKI BONDS
