“*Mrs Carol*
You will forever be missed. I was blessed to be apart of your life for 33 yrs. I will always remember your smile, those big hugs, and that laugh. I wish God would have given us a little more time with you but God wanted and needed you more. Your mission here had come to an end. You might not be here in the flesh but your loving spirit will forever remain her with us. My condolences goes out to the Brewer and Jones family. Love you Mrs.Carol

Carol you was loved by many and will be miss by many. I'm going to miss you, you were like a mother to me and a grandmother to my children. I liked you when I first met you. I can see that pretty smile of yours now. Thanks for helping me with my children when they were small if it wasn't for you and my mother I don't know what I would have done. I know you're looking down on everyone with that pretty smile on your face. Walter, Monte, Derrick, and April Brewer my condolences goes out to you all because I know this feeling that you all are feeling but in do time it will get better. I love you all
