“ Aunt Cheryl we love you and we all miss you so much! We can't believe that you're gone, it just doesn't feel real. I'm laying across the bed just thinking about how you took good care of your nieces and nephews when we were younger. I remember listening to Earth Wind & Fire the Bar-Kay's and Con Funk Shun just to name a few as a child when Mama was gone to work and eating Hot Frank Sandwiches those are some of my favorite memories of being with you! Aunt Cheryl I would give anything to be able to get a phone call from you tonight! All I have now is messages of your voice on my phone! You always would tell me GOD GOT ME! So it gives me peace in my heart now knowing you're with your LORD AND SAVIOR JESUS CHRIST! Love your niece Audrey and the rest of our family! We love and miss you dearly!
