“ *Though I wasn't close to Chris, when we saw each other in public we would stop and chat but right now I want to honor his life and the love his family shared with him. May God bring peace and comfort to everyone grieving his loss.*

“ *Rest in Paradise to a genuinely good person. Someone who brought light to with wherever he went. He had a way of making people feel seen, heard, and valued just by being himself. His kindness wasn't loud, but it was steady, and it touched more lives than he probably ever knew. May his memory be a reminder to love honestly, laugh fully, and care deeply. He will be missed, but never forgotten.*
