“ To the Sanders, Jackson and Horne Families,

I was so saddened to learn of Crystal's passing and my thoughts and prayers are with all of you. I came to know Crystal and her siblings through her cousin, Gail. As I recall memories of Crystal in high school, the adjectives that come to mind are kind, sweet, genuine and most of all humble. I will cherish my memories of her as a friend. May God give you peace and comfort not only today but in the days to come.

*Sincerely,

“ Once again, death has reared it head and hit our Arlington Terrace family. I didn't know Chrys as well as I knew some of her other siblings. What I remember of her is she was a kind person that would do anything she could to help out. Our love and prayers go out to her entire family.

“ When Tomorrow Starts Without Me

*When tomorrow starts without me And I'm not
here to see If the sun should rise and find
your eyes filled with tears for me, I wish so
much that you wouldn't cry the way you did today.*

*While thinking of the many things We didn't get to say I know how
much you love me as much as I love you. And each time you think
of me I know you'll miss me too, but when tomorrow starts without
me Please try to understand That an angel came and called my
name and took me by the hand and said my place was ready In
Heaven far above and that I'd have to leave behind All those I
dearly love.*

*But when I walked through Heaven's gate I felt so much at home
When God looked down and smiled at me From His great golden
throne. He said this is eternity and all I promised you Today your life
on earth is past but here it starts anew I promise no tomorrow for
today will always last and since each day's the same way There's
no longing for the past.*

*So, when tomorrow starts without me Don't think we're far apart for
every time you think of me, I'm right here in your heart.*
