“ Corey we miss you dearly! I hope you're resting well, no more pain or suffering! Please know we think about you everyday, the laugh and cries, we hold on to the memories. Your last smile and last words will forever be in my mind. But God called you on home because he knew you was tired. I HATE CANCER! And condolences to any family who has had to lose a loved one to it or currently battling it. It's not easy at all. But to be absent from the body is to be present with the Lord, so sleep well Corey. Until the day we all meet at that crossroads. I love you big bruh. Biggest heart I've ever seen. You and God watch over us. RIP to Corey D'Cedric Baker, Q, Man-Man, Uncle Billy Joe, and our sweet grandmother Ms. Kat Lee Miller, we love and miss you all!
