“ *My grandmother Deborah Jean Allen such a beautiful person all around. So full of life and love. She was always there whether you needed prayer or just to talk. I could tell my grandmother anything and it would stay between us. I love her so much and I will always carry her and my mother in my heart, my actions and my spirit. I am at peace with knowing that she is with my mom again.*

“ Aunt Deborah Jean was a kind, God-loving woman. We often had overnight stays with her and my cousins. She was a great cook and a loving mom. I was saddened to learn of her transition. I know the pain that this type of loss brings. When I look back on old photos I am reminded of how many loved ones I have lost. However, I remember that all of the happy, smiling and loving faces I miss are at peace.

I am thankful that I had an Aunt and, of course my cousins, to make memories with that will live on in stories that I tell my daughter.

“ It was so hard to learn of my sisters passing and even harder for me as I write. Deborah was one of the sweetest person I knew. We were only a little more than one year apart in age so my mother would dress us like twins in our youth. Deborah went through a lot in her life so much that I thought she was one of the strongest women I knew. I would say that she was strong because God would not put anything on her she could not bare. She was an excellent cook, a great housekeeper and managed her finances well. She loved Jesus with all her heart, soul and mind. RIP my sweet sister because you will never be forgotten.

“ To God be the glory for the things He has done! My Auntie was a humble woman of God; she was very fabric of Proverbs 31... such virtue❤️

Now in the arms of Jesus and at rest! With tears flowing, she showed the way of salvation through Jesus Christ... we all need Him and this should be our lifetime aspiration, to be more like Him and follow Him!

With great love for the family!
