“PRAYERS out to the WILLIAMS family on this morning...as other friend's, co-workers i "really" hate to see this.Eddie was my boy too, everytime i saw him he's talking smack.Eddie Williams was a good man too, especially if you really knew him. I met Eddie at WHELAND, back in the day, found out that my Auntie, he was neighbors there on 16th St.I have fond memories of Eddie, still smiles about what Eddie was telling the Guys back in the day when he was an OILER at Wheland...The job description "was" OILER, but Eddie (always talking smack) said that he was NOT an OILER, that he was an LUBRICATION ENGINEER! AGAIN...Sorry for the WILLIAMS Family's loss. Howard "Duck" Akins, Family (SCRAPMASTER D WHELAND)
