“ *Robbie and Robert,
"All deaths are sudden, no matter how gradual the dying may be." However the grief from the death of someone deeply loved cannot be mastered or conquered, because what we have once enjoyed, we can never lose, all that we deeply love become a part of us. Mourning the passing of Eleanor will never be easy, so I pray that the Lord will comfort you as you push past your hurt to celebrate the life of your sister. For the memories of her will never leave you, there are things death can not touch, Eleanor memories lives on in so many special ways, through all of you whom she cared about, the dreams she left behind, the daily words of wisdom, so you see FAMILY her memories will never be gone, her special love lives on..*

My deepest sympathy to you all. Margaret Mardenborough
