“ I grew up having Mrs Liz in my life,her and family. They are like family to us. We will always remember Mrs Liz. Often, when I would come home and visit, i would see Mrs Liz. When our mother who is now R.I.P. was alive. I would take her and my dad to visit with my mom in the hospital and needless to say. Mrs Liz would make me laugh til my both my sides hurt. They were the pillars in our community. I will never forget her. She will be greatly missed. However,we rejoice for her new journey with God. We,the Burts family Daddy,Steve, myself, Ronald ,Ricky and family. We all send our love,and heartfelt hugs to you,Buster,Bobbie,and Renae,Moses ,Tony and family. Most of all we pray God's perfect peace over you all in Jesus name! We love you!.

“ My sincere condolences to Toney, Renae, brothers and other family members. I've loved your mom since I first met her in 2009 along with your dad. Their spirit and friendliness and efforts to stay healthy for as long as they could was so inspirational. I will miss seeing, laughing and talking with your mom from time to time. She never forgot me, being new to Chattanooga meant so much to me. Cherish every memory of her and the spirit she leaves to you'll. God will pickup her care where you'll left off. God's Blessings.
