“ *Sending our love, thoughts and prayers to our family. Letting each of you know that we share the loss of Erma. We're sending encouragement to each of you to keep the faith and always cherish loving memories and the time God allowed her to influence and guide your lives. We here will always remember the times during our visits to Chattanooga how Erma and Granny always opened the doors of their home to us, and we always looked forward to visiting with the family. Praying and knowing that God will give you all the strength and healing needed at this time.*
