*There is a right time for everything.  
Ecclesiastes 3:1  
God's timing isn't always easy to understand, but it's always perfect.  
The time between our circumstance and His answer is a period of hope and trust. There are seasons when God asks us to trust Him wholeheartedly without seeing where we're going or knowing how we're growing. We can be sure that everything we face is filtered through God's hand-and He'll use it to make our hearts like His.  
Father, Your grace is all we need today to overcome all we face or fear.*

“ To The Dear Family of Ms. White as we referred to her at school. I've known Frances for over thirty years since the Push Excel Choir Days. We reconnected when I began my journey working with her at Orchard Knob Elementary School in 2017. I will always remember her as one of the most Positive and Beautiful People I have had the Pleasure and Honor of Knowing. No matter what challenges life brought about, she would ALWAYS remain as positive as possible. She Loved Her Family as Well as Those She considered to be a Friend. Frances/Ms. White, I will Truly Miss You And That Beautiful Smile.
