“ *Ms. Georgetta has a grandson that was born in 2007. My son was born the same year. We bonded over stories about our “boys.” From 2007 - 2022, far after they were little children, she never failed to ask me about my boy and could spin a great story about her boy too! I miss those conversations; I will miss her and I pray for comfort for her family!!*

“ *Georgetta and I worked together for 32 years at GPS. I always loved our conversations and her cheerful smile.... even when she wasn't feeling cheerful. She ADORED her family and loved to talk about them. She was a real colleague. She will be missed.*
