“ *Gerry! Gerry! Gerry!*

What more can I say? You were one of the happiest and funniest people on the face of the earth!

We had soooooooooo much fun growing up.

I shall always remember the summers and vacations throughout the years in Chattanooga when you carried us all around the city. I have so many stories that I talk about all the time. Those stories shall remain ingrained in my head and my heart - and, whenever I think of you, I shall continue to laugh and remember exactly how much fun we all had with you. The infamous fishing trip at the lake (eyeglasses in the water), the "I'm gon' take my shoes off" song/story on Market Street, and the list goes on-and-on! I'm so happy for the last, recent times we all talked and laughed. I shall miss you, my dear cousin. I'll comfort myself in believing that perhaps, you thought I hung out the moon, because you most definitely hung out my sun. You were such a bright light in this world. So full of joy - and you spread that joy everywhere you went and to everyone whose lives you touched. We were all touched by a real angel, Gerry Anthony Bins!

A one-of-a-kind gentleman who possessed a kind-hearted, humble spirit.

May GOD rest your sweet soul and preserve your precious memory.

I love you, Cousin Gerry!!

I thought of you today but that is nothing new. I thought about you yesterday and the days before that too. I think of you in silence and suddenly begin to cry. When trying to recall someone else name while in conversation I find myself calling you. All I have are memories and the last voicemail saved on my phone from you. I will keep it as a keepsake whenever I want to hear from you. I am going to miss you best friend of more than 20+ years!! I will never forget the fun times we had and make sure I cry happy tears. I Love You Gerry Anthony "Bins" your best friend Renee!
