“ Harold,  
The last time you came to see mom you asked a question, What am I supposed to be doing with my life? Cousin it is clear to everyone who attended your memorial that you fulfilled your purpose. You touch so many lives with the love in your heart, the Wisconsin possessed and that beautiful smile that came from your heart. Our family suffered a great loss when you left us. Rest In Peace until we meet again!  
Love and blessings

“ Mr. Flemister will truly be missed. He was definitely a man of integrity and believed in protecting children during my time as the school nurse of OKES. He was a member of the Men on Board and his presence along with the men made a difference in their lives. Mr. Flemister, you were so loved by all but God loved you best.

“ *M.O. B. - Men on Board at Orchard Knob Elementary! What a blessing you and the other grandfathers and fathers were to the boys and girls, the faculty and staff and the community. Your presence in the building was a lifeline of encouragement and caring. Greeting our young people and their parents as you opened car doors in the early morning, rain or shine - what a wonderful start to their day and ours! You were there to show love, sometimes tender, sometimes tough, but love nevertheless! The positive difference you made in the lives of the people with whom you came in contact will live on. Oh, my friend, you will be missed! Take your well-earned and well-deserved rest!*
