“ My cousin was always a sweet baby. She grew up with a loving supportive family that LOVE was shared by all of us cousins. We are going to miss her Smile. I am going to miss our long hugs and telephone conversations and text. We are mourning today, but God will give us beauty for our Ashes. The Ashes are our memories of all the time we had with her here. Life here can be viewed as “ Vacation” we get to do whatever we want to do. However, it is not identified as our home. As with any earthy vacation at some point you have to pack up and go home. My cousin did that a few days ago, we said our so longs, and she went HOME! To be absent from our body is to be Present with our Lord! I thank God for her life and HIS love.
