“ My brother, my friend. I thought we had more
time. It hurts so much I can't comprehend
what do. I am suspended in a state of missing
you. I'm living in denial because I have to.
This is a different life sentence.

"My big cousin was a remarkable guy and had a heart of gold. He always gave his little cousins money to go to the candy lady or the store to get snacks. And he always preached to us about life and what to do and not to do. He was larger than life and. He will truly be missed. Love Your Little Cousin Stephanie Jones H. A.K.A JUICY"

“ Bro Bro my brother was always smiling and lending a helping hand. He loved family and adored his friends. He was a bright light with a big heart. We will miss seeing him but we know his spirit is too big to leave us. So until we meet again watch over us and be with us bro. Love always your Big Sis, Kanika.
