“ My condolences to the family and friends of Jerome, I worked with him at the Plasma Center for many years I loved working a room with him because I knew the laughter would be all day, I was proud to call him a friend, and when he married Tara, who is a dear friend, and I felt like he went from friend to "family" While we may have lost touch over the last few years, the love I have for him never left- Prayers, love and hugs!
