Sisters are connected at the Heart, and No One can ever break their Bond. Joan was next to the oldest of Five girls. She was very Smart, Kind, Loving and Beautiful. Joan was a Straight "A" student starting at East Fifth Street Elementary, James A Henry Elementary(Westside) Howard Junior High and Howard High School (Tiger for Life) At Howard High she played the Flute and Clarinet in the Marching 100 Band in 1970 and 1971. Due to integration during her Senior year she had to graduate from Brainerd High School in class of 1972 where she played in the Band. Joan volunteered with Habitat for Humanity, she also tutored many, many students at UTC and CSTC for several yrs in Math and Science. Joan was Brilliant, she had a beautiful Alto voice and pretty bowed Legs. She taught us it is never too late to get your Education even after just living your Life ! Sisters forever. No more Pain, Rest in Peace. Betty Davis Shaw
