It is with great sadness that I find out the passing of my brother Joe!!! worked with him at the post office too and we couldn't be separated. Wherever he was I was and wherever I was he was. We had a lot of fun times together at work and after work. He is one of my best friends. His brother called me tonight and told me that he passed which hit me like I was run over by a semi truck. My deepest condolences to the family and his other friends. Joe was a type of brother that I could trust him with my life. We used to play all the sports boards at work like March Madness and we had won a couple times. I certainly cherish the time that I had with him on earth and will see him again in heaven someday. Please post any further arrangements asap so I can try to get down from Michigan to Tennessee for his funeral! Joe May you Rest In Peace my brother and I miss and love you always and forever!
