“ *To the Family of Mr. Boswell,*

I had the pleasure of working with Mr. Boswell when he was apart of the Resident Councils at East Lake. He was truly a leader and tried to do all he could to help and support his community. I really appreciated all the help and support that he gave to me during my time at the Housing Authority.

May God give you all peace and comfort during this time and you are in prayers.

*Peace and Blessings,
Carol Johnson*
