“ I remember going to her when I was only a few months old , she took so much good care of me. She was literally my god mother. I wish i could have seen her at least one more time, but the videos I have with us together will always be with me and my memories together will be in my heart forever. I love you god momma. I know your in a better place and will watch over me. Thank you for helping my mother raise me over all these years.

“ *Don't Be Sad When I Die*

*When tomorrow starts without me,
and I'm not there to comfort you,
please know that I still love you,
'cause I know you love me too.*

*When tomorrow starts without me
and you feel lost and blue,
I hope these words I've written
will help to see you through.*

*Someday your pain will ease,
sadness replaced by fond memories.
Come tomorrow you will hear
I love you whispered on the breeze.*

*When tomorrow starts without me
'cause God has called me home,
I turn, blowing a kiss for thee,
sad that you may feel alone.*

*I will miss you tomorrow.
As I take one last glimpse,
a tear falls from my cheek.
I'll be going home.*

And tomorrow will start without me.

With Our Heartfelt Sympathy!
