“ I am grateful that I was blessed to work with Kathryn and serve as her principal. She was an excellent teacher whose students loved and obeyed her because they felt her motherly love. Her life exemplified her love for God, her daughters, her students, her co-workers and others. She never hesitated to "Praise God!" for every blessing. She was indeed a competent, caring, and cooperative Christian. I "Praise God" for her life and extend to her daughters and family my sincere sympathy. May her precious memories and God's love sustain you. Christine S. Hicks

“ Sister; loving, caring the memories are too numerous . Good people should live forever; memories of you will. My you forever have access to my soul; loss for words; I can only hear you say Junior. I'm a granddad but always Junior and you will forever be Sister. To the Green Family I don't know how to express over 50 yrs. of family connections. You do know I've loved you all. Forever will. Sharing your pain of losing your heart beat, your rhythm is exhausting . Know many loved her and you along with her parents who I loved equally. Be strong you guys. Shall we Live so We Love .
Sincerely Junior
