“ I have known Kenny for 20 years. We met when he worked at Nabisco and I worked at Coca Cola. We both came to work at First Fleet at the same time. I usually saw Kenny several times a week. He always had a smile on his face and his attitude was always so positive. He is one of the nicest, most genuine people that I know. He spoke highly of his children and he really love his family. He will be missed by all who knew him. My family and I will be praying for your family in this tough time. I am so sorry for your loss.
