“ I will love you forever daddy. Having your funeral is not how I imagined spending my 25th birthday, its so painful to bear losing a parent but you're an angel now.

The last time I saw you was soo long ago, I just wish I could get that time back. I wish you were here to watch your grandchildren grow up,
I wish you were couldve hung in there a little while longer..

None of this is right Daddy. I know you never wanted this type of home going. You would NEVER leave Your mother Out. Frankie Ross raised my daddy. She should've been the first one to be acknowledged so I'm going to say it for you!

I love you Daddy, They can never turn your light off because you will always shine through me ❤️❤️❤️

“ Kurt, thank you for being a great man. Being that rock for my grandmother. I appreciate you always supporting her and supporting our family. No matter how far you always made sure we were good. Your joy and spirit will truly be missed. But I know you will always bring watching over us. Thank you for everything. Rest peacefully.

“ Kurt. I am truly thankful for you being apart of my life. Despite all that you were going through, you always found away to uplift everyone in the room.

We had some good laughs together and at times some good cries. Nevertheless, you pushed through. You will be truly missed. Rest up.
