“ Latavius was one of my brightest students while I worked as the Success Coordinator at Brainerd High School. I would like to think that I was very instrumental in his graduation! He had a very contagious personality that kept us entertained! On my Thursday food drops, he was so very excited to see me. He was surprised that someone cared soo much. Congratulations on the birth of your son. Praying that all will be well with those left behind. I will miss that contagious smile. Much love, Mrs. Jackson
