“ I'm gonna miss my friend, we met as security guards on the hill at blue cross in chatt tn. We call each other the tunnel twins, we both loved our variety of wigs, and the Braves, and the Falcons, we could sit and talk about sports for hours. Me her and Charolette worked so well on 2nd shift there, we were a good team. She had a smile that would just melt your heart. A smile I will Never forget. Rest easy my friend. I send love and Prayers to her family and friends. ❤️

“ Tasha is my 1st cousin. She was 10 years older than me so she was like my big sister. I remember back in the 80's she had a friend who was from N.Y. Some summers Tasha would visit her friend and when she came back home she would have tons of vinyl records. I remember being excited to see what records she would bring home. Tasha and I shared lots of memories together she will be truly missed. R.I.P Tasha you have earned your wings.
