“ Linda was so sweet & genuine. She always greeted folks with a bright smile. She was so gracious when asking how my family was doing so she could pray for us. Linda is already sorely missed, but I find peace in knowing that she is not suffering in the presence of our loving Heavenly Father & Jesus.

I've known Linda for many years. We grew up on Bradt Street. She was always kind and pleasant to be around. "Precious in the sight of the Lord is the death of His Saints".

Linda was my first cousin. We called her Sweet because all of us had nicknames growing up. She and I stayed in touch as much as possible. Linda loved the Lord and she enjoyed going to church. She also had great love for her son. She will be missed.

I was so sad to hear about the passing of my friend. Linda's family and my family came to Chattanooga together in 1954 from LaGrange GA. We grew up together on Bradt St. She and I did a lot of shopping together and visits. My mother loved Linda. Condolences to her family. She will be miss.

“ On June 13, 2020 a group of ladies known as the Morning Glory class from Abba's House met for brunch at Panera Bread. This was the last time I saw my dear Sister-in-Christ, Linda Morris. She was a very kind and gracious lady. I will miss her sweet, soft voice and laughter. I look forward to the day we will meet again with our Lord Jesus.
