“ Aunt Mable I want to thank God for a life we'll lived. After our mother died unexpectedly she made sure that she kept up with us and continued to love us. One of the things I'll always cherish and love is her caring ways and loving heart! You brought joy to so many lives and I'm thankful to have been a recipient of that love. To Lebron, David, Mark and Debra stay strong and love each other a a lasting legacy to you Mom.
We love you all

“ Mae you would always say, “Martha, you pretty but I’m prettier” lol and that was our little saying to each other. I am so photogenic because of you! I have more memories of you smiling in my 43 years than I’d ever have of you not. Mae, I know that you are still smiling down and saying Martha I’m still prettier than you..... and from here on out Mae, YOU ARE!
