“ *Mt beautiful grandmother. I will forever cherish our long talks, disagreements, and all the life lessons you taught me. You were more my mother than my grandmother, taught me my manners, to respect my elders, and show respect. For that I'm forever grateful. God knows my heart is torn in a million pieces, but I'm at peace knowing that you are finally at peace reunited with your parents & siblings. May you be covered in God's arms & grace. I will miss you forever. -kayla*
