“ *This picture is how I will always remember Ms. Mildred. She was always smiling and dressed to perfection. I consider her the matriarch of the Shepherd Community. She was always nice to us when we came to her store, even when we didn't have much money. Rest in peace dear lady.*

“ To my Bonus Mom.
Any woman can be a mother but it takes someone special to be a Mom. Momma Mildred loved us as her own. I never thought of her as my stepmom but my Mom in every way. A Mother's not a Mother just because of DNA. She was so sweet and kind to us all. Even after the passing of my Dad. She didn't leave us behind. She was still always there with us rooting us on and always telling us that our Dad would be proud. Momma Mildred I love you. You will truly be missed. You may not have given me the gift of life but life has given me the gift of you. I will forever treasure our memories. Love you Niecy
