“ *When Tomorrow Starts Without Me
When tomorrow starts without me And I'm not
here to see If the sun should rise and find
your eyes Are filled with tears for me, I wish
so much you wouldn't cry, the way you did
today.*

*While thinking of the many things We didn't get to say I know how
much you love me as much as I love you. And each time you think
of me I know you'll miss me too, but when tomorrow starts without
me Please try to understand That an angel came and called my
name and took me by the hand and said my place was ready In
Heaven far above and that I'd have to leave behind All those I
dearly love.*

*But when I walked through Heaven's gate I felt so much at home
When God looked down and smiled at me From His great golden
throne. He said this is eternity And all I promised you Today your life
on earth is past But here it starts anew I promise no tomorrow For
today will always last And since each day's the same way There's
no longing for the past*

*So, when tomorrow starts without me Don't think we're far apart for
every time you think of me, I'm right here in your heart.*
