“ Omega took me into her 2nd shift circle of friends at Erlanger when I was a young mother and wife. She taught me many lessons that a wise woman would pass on to a younger one. My memories are fond thinking of Omega, Mr. Barber, Fran, and Mr. Baker! My condolences to her entire family!

When I think about the love that Omega shared with her cousins, (my brothers) and then with myself. It hurt my heart to know that she was gone. But I know, to be absent from the body is to be present with the Lord. I know that she will be there with my brother (Calvin Jones Sr). Demie, you know I love you my cousin, and I will pray that you find comfort with your family and in the arms of our Lord and Savior Jesus Christ.
