“ *She was a very lovely person. We first met Pam when she and Drexel opened a restaurant in Sale Creek. I had invited Drexel to our church as we were having a conversation about the Lutheran Church in in our area. Pam and Drexel became good friend during the times. they spent with us and always got a big hug from both .them. Our sympathy to Drexel as well as the rest of the family.*

“ *I love you auntie. Never thought that one day I would have to say goodbye. Thank you for the advice, words of wisdom and the listening ear. You were available for us when we needed you and I don't know how you did it. There were a lot of us and we needed you. I'm so happy that your journey here has ended . You showed me a lot about grace. I'm saddened at the same time because my life once again is changed forever due to the absence of a precious loved one. Rest well auntie. Your legacy of love lives on. I'll see you when I get there. 🕊️❤️💔🙏*
