“ *To the family: Although Peggie attended Howard and I Riverside, I knew her from our working as teenagers at Erlanger Hospital in the dietary department.*

Peggie was very intelligent but she was so humble with it. Never a know-it-all.

I'm sure you all will miss her tremendously. But know that it's the fellowship that has been broken and not the relationship. She will always be remembered as sweet, kind, thoughtful and whatever she was to each of you. Proverbs 10:7a. Z" " I

“ *O my Dear Peggie, you are one of most selfless, giving persons I've ever known. Always putting the needs of others ahead of yourself. A shining light and example to all who knew you. You would often call to check on my family to see how we were doing and to keep us informed of what was happening to the rest of the family. I love you and will miss you. Lovingly (you would always say in your cards and letters), your brother, Billy.*
