“ We miss you now, our hearts are sore, As time goes by we miss you more always in our thoughts forever in our hearts. I wish I could see you one more time come walking through the color. But I know that is impossible I will hear your voice no more. I know you can feel my tears and you don't want me to cry. Yet my heart is broken with out you but I just can understand why you leave so fast I pray for strength to get me through.As I struggle with this headache that came when I lost you I really miss you but she already happy there in heaven I shouldn't be sad I love you aunt Rebecca Holloway no amount of words can express how much I miss you.
