“ I was so saddened to hear Murph had passed. I met this good brother when he was facilitating an Experiencing God class at New United Church. I was young and that brother was a great and positive influence on my walk with Christ. He would make us laugh at the right time. I'm thankful to have known him. He will be missed!

“ *We were deeply saddened to learn of Reggie's passing. We share fond memories from Craven Terrace and from New Bern High School. We were looking forward to meeting you and reconnecting with Reggie at the next Class Reunion. The New Bern High School Classes of 1974 and 1975 have decided to combine but Covid has prolonged the activities for the past two years. Whenever we do have the reunion, Reggie's memories will be shared with all other friends and classmates who have transitioned. With heavy hearts, he is already missed. God will comfort you during the days ahead, the memories will sustain you and time does so many things for healing.*

“ At Reggie and my age, so often I would think about our rendezvous with destiny! In my thinking and the years of my growing in Christ, I've learned to embrace the moment. I can thank God for the life with my family and great friends despite the evils of the world. Reg and I had some great moments as classmates during our high school days (Class of 74). We were the guys who would avoid drama because of the mission we sought in moving beyond high school. I can say that our friendship never grew apart but our aspiration for a better life went in different directions immediately after high school. Nevertheless after living in different parts of the country, he and I hooked up again at N.C. A&T in 1997 for homecoming. I did not go to A&T but I was introduced to A&T by Reg back in 1975. Since 1997, my wife and I purchased A&T football season tickets. It was the days afterward that Reg and I would connect at every homecoming he attended to rekindle our friendship over a tailgate meal and a beer. I am thankful that my friend and I had these moments to spend together.... after the marriages, the kids, the grandkids, and moving beyond our days at New Bern Senior High School. You will be missed my brother. Rufus P. Credle Jr. (Garner, N.C.)

“ *I remember Reggie from NBHS , New Bern, N. C. and then he followed me and his brother to NCA& T in Greensboro. Reggie was always kind and I never saw him angry or crazy. We had dinner with him and friends after one of A& Ts homecomings and had a joyous time reminiscing about our hometown and Aggieland . Reggie will be missed and I'm so sorry for him leaving this world way to soon. The devil comes to steal, kill and destroy but Jesus came that we might have life, may Reggie rest in heaven with our Father God . Love u family.*

*A man is the measure of many things. The measure of a man is not how great his faith is, but how great his love is. The ultimate measure of a man is not where he stands in moments of comfort and convenience, but where he stands at times of challenge and controversy. Murphy you were a true jewel, our one in a million kind of guy. We Love You and You will truly be greatly missed.*
