“ *Robbie was always a cheerful person. I ran into her 3 years ago at a job fair at the Times Free Press in which we exchanged numbers and was supposed to get together but never did. I say to her family; weeping may endure for a night but joy comes in the morning. To be absent from the body is to be present with the Lord and I know that you sorely miss her and I just couldn't imagine losing a sibling. I will keep you in my prayers that our Lord and Savior Jesus Christ would comfort you like only He can.*
