“ To The Browdy family, in times like this we all need comfort. However, it's difficult to say just the right thing. It does help when someone acknowledges our loss in anyway.

When I met Robert, it was a pleasure to know him and what I am happy about is when I had the chance to talk about God our creator to him, he was in harmony with what God's promised found in Isaiah 33.24, there will be at time when no one will say I am sick.

So when Robert is brought back to life from his sleep, as Jesus said and demonstrated what he can and is going to do, just like when Lazarus died in John 11:11. He said... I am going to wake him up.

I want to see him in the Paradise on earth that was promised from the beginning of life and we all can live forever healthy and happy. God cannot Lie.
