“ it's not a day that goes by ... that I don't think about you . When I'm happy , sad , angry , hurt I think of you because you always knew what to say or do ..or just a simple solution when I couldn't think straight. If I knew you were leaving me so soon I would've hugged you longer , laughed a little harder at your jokes , and really just appreciate more of the love you never failed to give to those who needed . I miss you so much Tre . Everyday .  
I love you forever -Ari

“ *Tre was the kindest person I have ever met. My memories of me and him watching football and talking about basketball are some of my favorite memories. He was a very good roommate at Austin Peay. I am happy we got to watch his favorite Ohio State Buckeyes finally win a National Championship in NCAA Football. The impact he left on other people is very real. On behalf of Gage Collins, Gabe Scott, Grady Glerum, Ryan Rose, Samuel Perry, Zaid Don Juan, Noah Buhler, Peyton Green, Natalya Gonzalez, I, as Joe Stevenson, guarantee his beautiful legacy will be permanently etched in the history books. Many of those people are from the rural community of Pleasant View, TN. The memories he helped forge will be preserved in Pleasant View. I spoke to Tre the day he passed away. It is devastating to think that his absence is very real, and you never know the last time you speak to someone. Still, I believe he is at peace. Therefore, I am at peace. God bless Tre and his family. Rest in Peace Robert Leslie Crawford III.*

“ Tre ... there are no words to describe this hurt but ANGUISH. You are missed tremendously by all you loved and who loved you more. I'll miss our 2 hour phone conversations and the lecture on anatomy and physiology; how to beat cancer. I'll miss "heyyyy auntie, whatcha doing". I'll miss your "Love You Auntie". I'll miss debating with you over politics and your IG stories; "Tre take that down. See auntie. Whatever, that's your life Tre. I know you love me" ... I'm just going to miss you!!!! Give my baby, Squirm a big ole hug and kiss for me. I got Mom and Wookie forever. Take your rest handsome.
