Rosalind and I played as kids on Hancock Road in Shepherd Community. We later became classmates and later family. She was so smart, witty and a colorful Sister.

Rosalind will always be with you, in your heart, in your soul, in every corner of every smile that comes with the memories of all those precious times you shared together Because love never dies, but lives on in those who remember. May God give you peace and comfort in the days ahead.

“ So sorry for your loss of a beloved sister and childhood friend... Rosalind was a very cheerful and fun person to be around...she had a special personality and left good impressions on the people she met...I remember chucking corn with her and Crystal and they were very good Cooks...Mr. Williams would always give us a quarter on payday...he was very generous as well...Mrs Williams taught us how to cook as well... wonderful family and she will be missed dearly...may God comfort you all during this bereaved time...God bless and keep you all...

On behalf of the Miles Family, we sincerely offer our condolences. We all were not only friends, but family. Rosalyn, as we affectionately called Judy, will be missed. She was truly a remarkable person, Christian, and friend. She knew her Bible. Always made us laugh when we got together. Our prayers go out to the entire family.
