“Roy Harden was my stepfather who raised me and played a major role in my childhood and life. I made sure I spent quality time with him every time I visited Chattanooga. He was one of the main reasons I joined the military !! I will never forget when he was in the Army and we lived in Germany. I will always miss and love ❤️ you “Daddy””

“I worked with Roy at Armandos for several years. I loved Roy! He was always one of my favorite people in the world. He was a good man! I could always count on Roy for life advice. He was funny, generous and just an all around cool person! He will be missed.
